

SPECIFICATION AMENDMENTS

Please replace the last paragraph on page 18 of the specification with the following replacement paragraph:

While the preferred embodiments of the invention are set forth above in detail, some modifications can be made without departing from the spirit of the present invention. For example, hexahedron and octahedron dice can also be employed in the dice sets of the present invention. Likewise, a plurality of decks can be employed in playing card games. In addition, the steps employed in the card games described in above Examples 1 – 8 can be modified. Also, the real number deck of cards can comprise at least ~~for~~ four sets of cards. Accordingly, modifications within the spirit of the present invention are included within the scope of the present invention.
